## VIRTUES OF THE MONTH

### Jamaadee-uth-Thaaneer جمادى الثانية

In the book Fadaail ush Shuhoor, Hadrat Akhtab bin Hisaan رَضِيَ اللَّهُ عَنْهُ has narrated that Hadrat Abu Bakr Siddeeq رَضِيَ اللَّهُ عَنْهُ used to perform in its first night, 12 Rakaah Nafil Salaat without specifically reciting any Soorah after Soorah Al-Faatihah.

It is also mentioned in the same book that in the last 10 days of Jamaadee-uth-Thaaneer, our beloved and most respected Sahaabah Kiraam, RidwaanAllaah Ta'aalaa 'Alaihim Ajma'een, used to fast to greet the holy month of Rajab, and during every night of these 10 days, they used to perform 20 Rakaah Nafil Salaat.

On the first day of this month, one should perform 4 Rakaah, and in each Rakaah one should recite Soorah Al-Ikhlaas 13 times (after Soorah Al-Faatihah). 100,000 good deeds are written and 100,000 sins are removed.
