

- ◆ We wholeheartedly agreed to commit ourselves to the struggle of purification of our Nufoos (plural of Nafs) and our spiritual heart without which, as Allaah عَزَّوَجَلَّ has stated in his noble Qur\_aan, success in the Hereafter is not possible.
- ◆ We wholeheartedly agreed with our beloved Shaikhul ‘Aalam’s قَدَسَتْ رُوحُهُ teachings that everyone who takes Shahaadah is a Muslim, and every Muslim is better than us. We therefore respect and revere all Muslims.
- ◆ We wholeheartedly agreed that our beloved Shaikhul ‘Aalam’s قَدَسَتْ رُوحُهُ teachings embrace the whole of Islaam to perfection. He is undoubtedly the Shaikhul Kaamil (the perfect Shaikh). We therefore wholeheartedly understood and committed ourselves to the principle of Ahle Tareeqat that we will be faithful to the ultimate degree of loyalty to him and only him. We also have to believe and understand to the level of certitude that to deviate away from him and his teachings to the slightest degree will involve us in the displeasure of Allaah عَزَّوَجَلَّ and result in cutting ourselves off from all his grace (Faid).
- ◆ We wholeheartedly realized and agreed that his beloved daughter Hadrat Anees Akhtar Sallamahumullaah must be revered by all of us in Daar-ul-Ehsaan in a manner described by Baabaajee قَدَسَتْ رُوحُهُ in his words under the title he قَدَسَتْ رُوحُهُ used:

## DEDICATION

(My note: Dedication means a message to honor and express affection for someone very special)

***“She is my dearest, dutiful and adored real daughter and it is waajib for all my devotees of spirituality to offer her their utmost veneration as they do for my other daughters. This dearest daughter of mine is the pride of the world of Islaam. I bequeath that the grave of my dearest, dutiful and adored daughter should be by the side of my grave. If anyone indulges in the slightest disrespect for her, there will be no place for that person in my institution. Her respect is my respect, honoring her is honoring me, her insult is my insult and the one who is even slightly disrespectful towards her becomes deprived of my grace. Wallaah, Billaah, Tallaah. And this is the seal of my above dedication.”***

Abu Anees Muhammad Barkat Ali قَدَسَتْ رُوحُهُ

- ◆ We wholeheartedly believe that when Baabaajee قَدَسَتْ رُوحُهُ appointed this humble slave the Ameer of the USA, his Darbar Shareef (world headquarters) Faisalabad, Pakistan sent me the Sanctimonious letter addressed to the entire future USA Jamaa’at which stated among other important matters and Du’aas; ***“Hadrat Abu Anees Muhammad Barkat Ali, the founder of Daar-ul-Ehsaan has appointed Muhammad Akhtar Ali the Ameer of USA, in 1990 and has advised and asserted that he should be meticulously obeyed in all matters. There is a great significance of this obedience and his disobedience would be indeed the disobedience of Hadrat Shaikhul ‘Aalam قَدَسَتْ رُوحُهُ. As such the obedience of Brother Muhammad Akhtar ‘Ali is waajib upon all of you...”*** The letter ends with a beautiful Du’aa for all of us. Of course the aspect of obedience of the Ameer is a command of Allaah عَزَّوَجَلَّ and therefore disobedience of the Ameer is indeed the disobedience of Allaah عَزَّوَجَلَّ.
- ◆ We wholeheartedly believe that Shaikhul Alam Hadrat Abu Anees Muhammad Barkat ‘Ali قَدَسَتْ رُوحُهُ has been honored by Allaah the Almighty as His Walee because He helped Baabaajee through his Shaikh to embark and then succeed in his Jihaad ul Akbar (Major Struggle) against his Nafs ul Ammaara and the Shai’taan. This enabled our beloved Shaikh to live his life and practice Deen ul Islaam as it existed at the time of Hadrat Muhammad ﷺ and his beloved and holy companions with whom Allaah Subhaanahoo wa Ta’alaa is pleased.
- ◆ We wholeheartedly believe that the practices and teachings of our Baabaajee قَدَسَتْ رُوحُهُ are complete and we do not need any other teacher or guide. Actually, this is the Divine law as practiced by all Ahle Tareeqat. Breaking this law is to disrespect the Walee of Allaah عَزَّوَجَلَّ and entails severe reprimand from Allaah عَزَّوَجَلَّ which is Jihaad by Allaah عَزَّوَجَلَّ against that person.

◆ We wholeheartedly believe and fully understand that one major ingredient of the destruction of our pride and arrogance and Nafs ul Ammaara is our struggle to obey and surrender to Baabaajee AND those he appointed as his Ameer and his successors.

◆ We wholeheartedly believe and understand that:

- I. The model for Daar-ul-Ehsaan USA is Daar-ul-Ehsaan World Headquarters in Faisalabad Pakistan.
- II. For all male members of Daar-ul-Ehsaan USA our model is our beloved Shaikhul 'Aalam Hadrat Abu Anees Muhammad Barkat Ali رحمۃ اللہ علیہ
- III. For females of Daar-ul-Ehsaan their model is the prestigious daughter of our beloved Shaikhul 'Aalam رحمۃ اللہ علیہ Hadrat Anees Akhtar Sallamahumullaah.

Alhamdulillah our USA Jamaa'at is a great Jamaa'at struggling very diligently, devotedly and with wonderful determination in our worthy cause to fulfil our sacred commitment. Our remarkable progress since our inception is a very heartening evidence that we are receiving the full grace, du'aas and attention of our beloved Shaikhul 'Aalam رحمۃ اللہ علیہ and the active help of our Rabbul 'Aalameen Allaah عز وجل, Dzul Jalaali wal Ikraam – for which we are eternally grateful.

I am always available to all of you and all the respected Ameer of our USA Jamaa'at. It is a great privilege for me to be the Ameer of such a remarkable group of devotees of our beloved Baabaajee رحمۃ اللہ علیہ

**Special Note about our Sisters' Dzikr:-** I had consulted our most respected Baajee Anees Akhtar Sallamahumullaah about this matter. She informed me that according to the Haya (modesty) inherent in the nature of Muslim Sisters, she has recommended that all Daar-ul-Ehsaan (worldwide) sisters should do their Dzikr in their own homes with their husbands and children. Furthermore Alhamdulillah we have been blessed with today's wonderful technology: Our Thursday Evening Dzikr is being broadcast live all over the world. Our beloved Sisters are now able to participate in what is now being praised by all participants as the most profound spiritual experience of their week! What is even more gratifying is that you our beloved sisters, and your wonderful children can enjoy this worship from the privacy of your own homes. The link from your computers to our Dzikr broadcast is: <http://daar-ul-ehsaan.org/live-dzikr/>

Please contact Br Musa Campbell at [imusa.campbell@gmail.com](mailto:imusa.campbell@gmail.com) and give him your email address so that he can provide you weekly, the time at which the Dzikr will commence.

### **Very Special Note and WARNING to ALL!**

My very respected and beloved children, your FOCUS will continue to become progressively stronger if you revisit and revise at regular intervals this very vital communication. All of you, my children, are wonderfully determined and devoted to our supreme cause and mission. I know you will use all your energies to our FOCUS to achieve success, by the Faid (grace) of Baabaajee رحمۃ اللہ علیہ and the Divine help from Allaah عز وجل. You all know very well the grace of our Shaikhul 'Aalam رحمۃ اللہ علیہ and our most merciful Rabbul 'Aalameen will be bestowed only upon those of us who sincerely struggle in this glorious path. That is my heartfelt Du'aa for all of us. Aameen Yaa Hayyu Yaa Qayyoom Aameen.
